

WHY FAMILIES CHOOSE SAINT JOSEPH SCHOOL

“Family Feeling. Great Academics. A Catholic Education. Dedicated Faculty.” (Parent of 2 SJS graduates and child in 8th grade)

“We chose SJS because of its reputation for instilling Strong Christian Values through Quality Education and a Strong Faculty. We stay in part because of the respectful student population and a Principal completely dedicated to the students.” (Parent of children in 3rd and 7th grade)

“We liked the Small Community feel and Commitment to teaching Catholic Values. We stay because of the great family atmosphere and sense of community. The Education offered is Great!” (Parent of children in 2nd and 3rd grade)

“We were drawn to this small school that promotes morals, values and kindness in addition to solid academics. We stayed for these reasons as well as the opportunity to volunteer and become an active part of the school community.” (Parent of a child in 2nd grade)

“We wanted to instill good values in our children. At SJS we found a strong community, great families and have made some great friendships. Our children enjoy the school, and are learning and excelling. The teachers show a great deal of interest in all aspects of our children’s development.” (Parent of children in Kindergarten and 3rd grade)

“I believe in Catholic Education. Our oldest child graduated from SJS and is now in Accelerated Classes in High School and on the Honor Roll...need I say more?” (Parent of 1 SJS graduate, children in 8th and 4th grade)
